ABOUT US

Meertens is an established CA/CPA public practice company specialising in corporate insolvency and reorganisation with offices in Darwin and Adelaide.

At Meertens, we care about the people and community that we serve and the work that we do and, we care about the people in our team who commit themselves to produce excellent and timely outcomes for the people who rely on us.

ABOUT THE ROLE

Meertens is seeking a Manager to manage a portfolio of appointments and provide leadership and guidance to the reporting up team. As Manager, you will, amongst other things:

- Anticipate the strategic direction of insolvency files under your management and instruct your reporting team members on the completion of these files.
- Consider and propose solutions on technical and commercial matters that arise on the insolvency files for discussion with the Appointee.
- Take the lead on investigations and draft work papers for internal dissemination and briefing lawyers.
- Manage the trading activities of businesses and oversee the production of cash flow forecasts and other financial reporting.

ABOUT YOU

You will be a self-starter, adaptable and have an eye for detail.

You will possess an ease with people, a comprehensive knowledge of the corporate insolvency legislation and a strong insolvency accounting background, including a familiarity with posting journals.

WHAT IS REQUIRED

- A University undergraduate degree in Accounting or in Business with an accounting major.
- Ideally CPA/CA completed or near completion.
- Demonstrated team leadership skills.
- A strong personal brand.
